

Municipality of 's-Hertogenbosch

In the municipality of 's-Hertogenbosch (The Netherlands) live about 152.000 citizens. Development of talents of youth is an important topic for our municipality. We invest a lot in young people from 0 – 27. The quality of our school buildings and youth centres are outstanding; professional and voluntary efforts are on a high level. We share our experiences already more than 15 years in all of Europe. The turnover of our municipality is about € 720.000.000 a year.
